"Family Farm Traditions"

By Irvine Syer

Stating name and age

### FAMILY FARM TRADITIONS

Neighbours met at threshing time  
To help one another at each place  
Ladies cooked a hearty meal  
Outside, a tub of water, for hands and face.

In summers on Saturday nights,  
Off to town to shop and meet  
Other shoppers, old friends and new  
Never knowing who you'd would meet on the street.

Closely knit families would share a meal  
Discussing various things, including the weather  
Family members would likely agree  
T'was always a great time together.

Compassion always came  
When sickness and death occurred  
Families flocked to offer what they could  
Words of comfort always heard.

A tradition for sure, was the country church  
Where people would gather, people would pray  
Bible was read, God's word was said

Uniting hearts in a spiritual way.

Many more customs could be shared  
Yes, many more additions  
Memories of the days gone by  
Of family farm traditions.

Remember When.....

Remember when you were a little girl  
And we brought you home to stay  
You were very happy in your crib  
Each and every day  
Your baths were always lots of fun  
The rubber duckie had a ball  
I'd sing you lullaby's  
Until I heard not a peep at all  
You started sleeping through the night  
And then you learned to crawl  
Then you started walking  
And my how you'd stand tall  
Looking back now,  
That's when we knew  
No matter what you did

Collection - Number of kinds of varieties of flowers shown as one exhibit. The quality and variety of the blooms, and the artistic effect of the exhibit to be judged.

Arrangement - The use of fresh flowers organized to create an attractive display. Flowers should be as fresh as possible. Trim off dead foliage and petals, being careful not to destroy their symmetry or to leave any tell tale tissue at the base.

Remove spray or dust residue. Foliage should be naturally attached.

Where different varieties are shown in one class, such as roses by colour, one variety is not judged against another, but whether it is a better specimen of its variety than others of its own variety.

Rose blooms should be one half to three quarters open at time of judging.

Height is an important factor in arrangements where a definite purpose is specified, such as a dining room

table or mantel display.

Novelty Floral Arrangement - Flowers arranged in a novelty container, something other than a purchased article.
